

Dear Superintendent,

Enclosed is an opportunity to generate additional excitement and positive recognition for your school. MIX 96.1 FM is starting an Academic All-Star Program in the Southern Oklahoma area where each month we highlight outstanding area high school seniors based on their academics and sports performance. This will become the most highly recognized program in the area. These nominated students will represent the schools that they attend, and will be recognized on MIX 96 LIVE during the month that they were selected. Each student will be awarded a plaque in honor of their accomplishments. At the end of the year MIX 96 will choose one winner to receive a scholarship towards college.
